THE NEXT BEST THING TO THE PINE FOREST FOR COLDS IS—

Dr. Bell's Pine-Tar-Honey, which goes to the very root of cold troubles. It clears the throat and gives relief from that clogged and stuffed feeling. The pines have ever been the friend of man in driving away colds. Moreover, the pine-honey qualities are peculiarly effective in fighting children's colds. Remember that a cold broken at the start greatly removes the possibility of complications. 25c.—Adv. d&w

REAL ESTATE AND FARM LOANS

We have three buyers for land: One of them wants a stock farm about one third bottom, balance grazing land, has \$6000 cash, will assume mortgage. Another wants first class bottom land near school, improved or unimproved, will pay \$5000 cash and give mortgage for balance. The last man has \$1000 cash to pay on a good small farm not more than 100 acres and prefers northwest of Chickasha.

We have sold six farms and traded three in the last 30 days, 1310 acres of good improved land, \$59,750, an average price of about \$45 per acre.

We are getting out a good list of land to advertise in several of the best papers that have a large circulation in the north and west. If you haven't already listed your land with us and wish to sell come in and see us or write us in the next few days giving accurate description of land, price and terms, mortgage, etc. We charge

5 per cent commission for selling land.

FARM LOANS.

Do you know of some cheap land near you that you would like to buy? We will be glad to inspect the land and tell you what we can loan on it. Remember we loan on the real value not on the price for which the land can be purchased. We have loaned sufficient money to buy some special bargains.

There has never been a better opportunity to make some easy money investing in land. You can borrow more money at a better rate and have a better loan proposition than heretofore. The big loan companies are anxious to secure loans in Oklahoma and are making it easier for the borrower. They have better opportunities to know of general conditions. They have confidence in the future of Oklahoma. Why shouldn't you?

A WONDERFUL ANTISEPTIC.

Germs and infection aggravate ailments and retard healing. Stop that infection at once. Kill the germs and get rid of the poisons. For this purpose a single application of Sloan's Liniment not only kills the pain but destroys the germs. This neutralizes infection and gives nature assistance by overcoming congestion and gives a chance for the free and normal flow of the blood. Sloan's Liniment is an emergency doctor and should be kept constantly on hand. 25c, 50c. The \$1.00 size contains six times as much as the 25c.—Adv. d&w

Teuton and Celt.

Germs are lasting in their sympathies and antipathies and leisurely in their mental processes. It takes them a long time to make up their minds and longer to get an idea out of their heads. In their thinking they try to grasp more things at a time than does the Celt.

Yellow complexion, pimples and disfiguring blemishes on the face or body can be gotten rid of by doctoring the liver, which is torpid. Herbine is a powerful liver correctant. It purifies the system, stimulates the vital organs and puts the body in fine vigorous condition. Price 50c. Sold by Owl Drug Store.—Adv. d&w

To Open Sardines.

When a box of sardines is opened, it should be drained off its oil at once and the fish turned out.

THE CLERK GUARANTEED IT.

"A customer came into my store the other day and said to one of my clerks, 'Have you anything that will cure diarrhoea?' and my clerk went and got him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and said to him, 'If this does not cure you, I will not charge you a cent for it.' So he took it home and came back in a day or two and said he was cured," writes J. H. Berry & Co., Salt Creek, Va. Obtainable everywhere.—Adv. d&w

As Every Dentist's Patient Knows.

"When you make an appointment with a dentist," muttered J. Fuller Gloom, "if you are two minutes late you will find another victim in the chair, and you will have to make a new appointment. If you do get there on time, you will find a left-over patient in the chair and you will have to wait anyhow."—Kansas City Star.
